

Forecast For Wales
Issued by Met Office Exeter
at 0400 on Wednesday 15 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:

A largely fine and dry day, with sunny spells.

Today:

A dry start with sunny spells through the morning. Spells of sunshine continuing through the afternoon with some patchy cloud arising. Feeling pleasantly warm in the sun with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:

Some late sunny spells into the evening and remaining dry. Overnight, cloud increasing from the west, which may produce the odd shower. Clear spells later, perhaps producing isolated fog patches. Minimum temperature 9 deg C (48 deg F).

Thursday:

A mostly dry morning with spells of sunshine. Perhaps a few isolated showers developing into afternoon with sunny spells between. Feeling rather mild. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:

Increasing cloud on Friday with outbreaks of rain for a time. Sunny spells on Saturday with the chance of a few showers. Variable cloud on Sunday with some showery outbreaks.
